Subject: Microsoft Settlement

innovation comes from free market place not one run by the goverment.If yiu froce crippling sanctions on Microsoft will go back to the stone age. Most people use Microsoft for a reason its affordable on any person budget it consumer friendly easy to use. All the States should be forced to settle. In my home town nobody can understand why the goverment toke after Microsoft in the 1st place Herb Holm 2821 Fairfield street Eureka Ca. 95501-3524
